

Vincenzo Lavecchia

Corporate Chef

RUSSO'S NEW YORK PIZZERIA, INC.

Best known as “Enzo” around the office (few can pronounce his full name correctly), Corporate Chef Vincenzo Lavecchia joined the Russo team in 2017 after a stint as the Pizza Chef in the famous Eataly in Dubai. He’s also a two-time World Champion pizza maker and a three-time United Arab Emirates pizza champion and enjoys teaching others the art of dough preparation and tossing. You can find him tossing and cooking up other Italian specialties as well. And trying out some Texas traditional food in his time off.
